Last Call for Lake Book Surveys!

Send in your completed blue postcards by 10/31

Cazenovia, NY - Several few weeks ago Cazenovia Area Community Development Association, Inc. (CACDA) sent out more than 1800 copies of the Cazenovia Lake Use & Care Manual. A blue survey postcard was included for readers to complete and send back.

Development, publication and distribution of the Lake Book was made possible in part by a grant from the Central New York Community Foundation. We need your feedback on the surveys to satisfy a portion of the grant process.

If you received a Lake Book mailing, please fill out the blue postcard and send by October 31st to CACDA, 7 Nickerson Street, Cazenovia, NY 13035. If you misplaced your postcard and would like another one, please contact Barbara Henderson at 655-7651.

The Central New York Community Foundation, a charitable endowment for Onondaga and Madison counties, has served our community for over 78 years. It awards over \$5 million in grants annually to not-for-profit organizations and administers over \$100 million in assets.
